State of New Hampshire

To the inhabitants of the town of Haverhill qualified to vote in town affairs:

You are hereby notified to meet at the town hall in said town on Tuesday, the 11th day of March, 1930, at ten o'clock in the forenoon, to act on the following matters:

Article 1. To choose a town clerk.

Article 2. To hear the reports of the selectmen, treasurer, cemetery commissioners, and any other town officers heretofore chosen, and to pass any vote relating thereto.

Article 3. To choose one selectman for the term of three years, a town treasurer, one or more highway agents, one or more auditors, one library trustee for the term of three years, one cemetery commissioner for the term of five years, one trustee of trust funds for the term of three years, and all other necessary town officers, including three delegates to the constitutional convention to be held in Concord on the first Wednesday of June, 1930.

Article 4. To raise and appropriate money for the support of the poor.

Article 5. To raise and appropriate money for the maintenance of state trunk line roads.

Article 6. To raise and appropriate money for the construction of state aid roads.

Article 7. To raise and appropriate money for the maintenance of state aid roads.

Article 8. To raise and appropriate money for removal of snow on trunk line and state aid roads.

Article 9. To raise and appropriate money for laying out, building and repairing highways and bridges.

Article 10. To raise and appropriate money to pay for the town's part of the expense of hard surfacing on the Moosilauke Road.

Article 11. To raise and appropriate money as compensation to be allowed to Fred H. LaVoice for injuries received while in the performance of his duties as an employee of the highway department on or about July 3, 1927.

Article 12. To raise and appropriate money to pay interest and principal of outstanding town notes.

Article 13. To authorize the selectmen to issue interest bearing orders or notes to provide for current expenses in anticipation of taxes, and to see if the town will extend for another year the authority granted to the selectmen at the annual meeting of 1924 to issue notes or bonds covering the refunding of notes given in connection with rebuilding the Woodsville-Wells River bridge; and to pass any vote relating thereto.

Article 14. To authorize the selectmen to distribute the blank inventories at the time they examine and appraise taxable property.

Article 15. To raise and appropriate money for town libraries.

Article 16. To raise and appropriate money for Memorial Day.

Article 17. To raise and appropriate money for the cemeteries in said town, and pass any vote relating thereto.

Article 18. To raise and appropriate money for the support of the Cottage Hospital.

Article 19. To raise and appropriate money to exterminate white pine blister rust in said town.

Article 20. To raise and appropriate money for other town charges.

Article 21. To see if the town will vote in favor of granting permits to druggists for the sale of liquor

in said town for medicinal, sacramental, scientific and mechanical purposes, under the provisions of chapter 144 of the Public Laws.

Article 22. To see if the town will vote to appoint a budget committee to supervise the appropriations of said town and to recommend to the next annual meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Article 23. To transact any other business proper to come before said meeting.

Given under our hands and seal this 11th day of February, 1930.

JONAS N. BROWN,
ARTHUR E. DAVIS,
WESLEY G. WHITE,
Selectmen of Haverhill.

Report of Selectmen

To the Citizens and Taxpayers of Haverhill.

Another year has passed and we submit our report for the year ending January 31, 1930, for your inspection. Upon the following pages will be found the detailed statements.

WOODSVILLE-WELLS RIVER BRIDGE

The Woodsville-Wells River Bridge case is still unsettled. During the past year we have received $3,749.21. We have expended $2,141.75 leaving a balance of $1,507.46. We have on hand some tools to be sold.

HIGHWAYS

During the past year we have expended $9,914.83 which is about $600. below the average for the past ten years.

STATE AID CONSTRUCTION

At the March meeting of 1929 there was no money raised for State Aid Construction, as there was a balance left over from previous years due to the flood of 1927. This year the balance has been expended, and the road has been completed as far as F. W. Richardson's.

SOUTH NEWBURY BRIDGE

Last year at this time our attention was called to the condition of the South Newbury Bridge. We had it examined by engineers and found it necessary to close it for repairs. As usual in such cases it was found to be in much worse condition than expected. In some places the timber was ninety per cent decayed.

At the present time we figure the bridge is good for thirty years' use. To give the Townspeople an idea of the extent of the repair work done, we will say there was 94,470 feet of new lumber used. The total cost of

the job was $15,323.81. This amount being paid equally by the two towns, Haverhill and Newbury.

FINANCIAL

During the past year we have increased our indebtedness in the amount of $4,744.40. The reason for this increase was the cost of the South Newbury Bridge and several other items for which there was no appropriation.

Again this year we have no uncollected taxes. All our assets consist of real estate taxes bought by the town and amounts due from the State and County.

Respectfully submitted,
JONAS N. BROWN,
ARTHUR E. DAVIS,
WESLEY G. WHITE.

AUDITOR'S REPORT

I have examined the accounts and books of the Water and Light Commissioners and the Treasurer and Commissioners of the Woodsville Fire District. I find them accurately kept and properly balanced.

The Treasurer of the Fire District has a balance on hand of $573.45, Water bonds of the 1922 issue Nos. 19, 20, 21 Electric Loan Bond No. 7, Water bond of the 1924 issue No. 4 and Electric Loan Bonds Nos. 7 and 8 maturing in 1929 together with matured coupons on entire issues were destroyed in my presence.

The new water works construction has been kept in a separate account and as the work is not completed this account has not been included in my audit.

$7375. has been deposited in Woodsville National Bank to cover bonds and interest due Feb. 1, 1930 on the 1929 issue of Water Bonds.

H. B. KNIGHT, Auditor.

Feb. 11, 1930.

NORMAN J. PAGE

Born—Benton, November 13, 1866.
Died—Woodsville, February 10, 1930.
Superintendent of Schools in the Haverhill District from 1911 to 1930.

Educated by a boyhood on the farm, and through early youth in the local schools; a graduate of Dartmouth, and a student in foreign universities; an example of culture through education, of loyal citizenship, of courageous living.

He served the State as a member of the Educational Council, and of many committees on educational matters; he was esteemed by state officials and honored in their discussions; he was unassuming in his activities, and ever gave his best efforts for the pupils of his schools. He had the confidence of his fellow-townsmen; his opinion was consulted on matters of civic policy; many people took pleasure in his friendship.

His character and conduct were above reproach, and he was trusted with numerous public charges.

Those among whom he lived revere his memory.

Annual School Report

WOODSVILLE UNION HIGH SCHOOL DISTRICT WARRANT

State of New Hampshire

To the inhabitants of the Woodsville Union High School District, qualified to vote in School District affairs, in towns of Haverhill and Bath in said county:—

You are hereby notified and warned to meet at the Grade School House, in the Village of Woodsville, in said Haverhill on Friday March 14th, 1930, at 7:30 o'clock in the afternoon, for the following purposes to wit:—

1. To choose a moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To choose a treasurer for the ensuing year.
4. To choose one member of the School Board for the ensuing three years.
5. To choose an auditor for the ensuing year.
6. To choose one Trustee of the Woodsville Free Public Library for the ensuing year.
7. To hear reports of officers and pass any vote relating thereto.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see what sums of money the district will raise and appropriate for the support of the Woodsville Free Public Library.

10. To transact any other business proper to come before this meeting.

Given under our hands and seal this fifteenth day of February.

I. W. MANN,
D. R. ROUHAN,
RUTH CHENEY,
Members of the School Board.

REPORT OF THE HEADMASTER

To the Superintendent of Schools:

I offer herewith my twelfth annual report of the Woodsville High School for the year ending January 24, 1930.

The registration to date has been one hundred fifty-nine pupils, there being eighty-one boys and seventy-eight girls. Eleven of these have ceased attendance, the causes being removal from town, economic or personal reasons, and lack of desire to carry on the work. Grouped by classes there are twenty-six seniors, thirty-one juniors, thirty-eight second year pupils, and sixty-two first year; also two special pupils in post-graduate study. There are eighty-one names on the tuition list, the largest the school has had.

On June 20 was graduated the thirty-third class, making a total of four hundred seventy-four graduates. The class of 1929 includes thirty names, Winnifred E. Atwood, Priscilla A. Bedell, M. Audrey Brown, Renato A. Castello, Laura G. Chesney, Wilma M. Clough, Lois S. Cochran, Dorothy A. Cummings, Charlotte E. Davison, Harold M. Day, Harold R. Derby, Marion A. Downing, Christopher C. Ford, Everett W. Goodwin, Elizabeth F. Hartley, Evelyn B. Hayes, Gerald F. Hutchins, Wilfred C. Lamontagne, Marguerite E. McBride, Marjorie L. McBride, Robert E. McLaughlin, Margaret E. Nelson, William E. Osborne, George A. Sault, Ruth J. Sheldon, Helen M. Smith, Ruth Wallace, Lloyd L. Wells, Ada M. Wright, Leone U. Zambon. First place in scholarship was taken by Ruth Sheldon, and second place by Harold Derby. The Alumni Attainment Medal was awarded to Margaret Nelson, presentation being made by Rev. Barron McIntire of the class of 1908.

The annual Prize Speaking exhibition took place in the school auditorium in two groups on May 17 and May 21, there being sixteen participants. First prizes were awarded to Lloyd Stearns, Clifford McLure, Vir-

ginia Keyser and Pauline Kaiser, and second prizes to Arnold Bone, Dustin White, Shirley MacLeod, and Gwendolyn Hood.

There are forty-two recent graduates reported in institutions of advanced study. In colleges are seventeen, in normal schools seven, in nursing schools six, in business schools seven, and in special training five.

The Orchestra of twenty-five players directed by Perley Klark, and the Band of some thirty pieces led by Larkin Hosford, have both been making very satisfactory progress. Every pupil, if naturally able, should learn to play some instrument this ability becomes a valuable asset in later years.

Railroad schedules are better adjusted and afford a longer school day, so that there is much improvement over the unsatisfactory conditions that prevailed last year.

Half a score of speakers have made formal addresses to the pupils on character, culture, conduct, college, and citizenship. Details of all these matters appear from time to time in the local newspapers.

The interest of local people in the school activities is gratefully appreciated. Substantial aid has been rendered by transporting the ball teams, by offering encouragement to athletics of all kinds, by attendance at lyceum programs and other public events of the year, by supporting the Cycle, and by visiting the classes in session.

Nearly all pupils from the Eighth Grades in this vicinity enter some secondary school. The High School has come to be an essential part of the common school system. A high school education is practically a requisite for intelligent understanding and successful participation in the social, economic, and national life of the world today.

Respectfully submitted,

G. H. McGAW.

REPORT OF THE SCHOOL BOARD OF HAVERHILL

We, the undersigned members of the Haverhill School Board submit the following report:

A large amount of painting and general repair work being necessary at Haverhill the janitor, H .S. Atkins, was hired by the week at his regular pay and was kept busy all summer. The Talbirt property was shingled with asbestos and painted outside and the tenants did considerable work on the inside, the District furnishing the materials. The balance of the time was spent in the Academy building and although much was accomplished, much still remains to be done to secure an attractive interior.

By courtesy of the Woodsville School District, the District secured the loan of an electric sander and the desks at North Haverhill have been sanded and revarnished and made practically as good as new. A new furnace has been installed at East Haverhill and there is urgent need of a new one at Pike which will be installed the coming summer.

Attention of the voters was called by our Superintendent in his report of last year that the tax cost per $1,000. of equalized valuation for 1927-28 in Haverhill was the highest of any district in the State. This condition has been a matter of concern and serious consideration on the part of your School Board. Quoting Mr. Page, "The State objected to helping support so many schools for the number of pupils involved." Our problem seems to be to make all of our schools up to

the capacity of a standard school as recognized by the State. The only method of accomplishing this result is to discontinue certain schools and transport the pupils to some other school. Centralization has been found profitable in private business, and many other towns are finding that it is a means of saving in school administration. As an instance of what this may mean in our town we quote figures from the last Biennial Report of the State Board of Education comparing operation and maintenance costs in certain towns with an approximate number of pupils in 1927-28:

Town	Pupils	Schoolhouses	Op. Costs
Haverhill	413	9	$8,173 87
Whitefield	410	5	3,624 52
Lisbon	370	2	5,290 38
Woodsville	449	2	5,087 13
Penacook	436	3	5,199 .03
Jaffrey	540	3	6,112 70
Newmarket	497	4	4,815 54

In this town a considerable saving is possible by decreasing the number of teachers. A step was made in this direction when making plans for this year, the School Board voted to discontinue the Domestic Arts and Manual Training courses which in itself would effect a saving of at least $1,300.00, on which no state aid is allowed. So much opposition to this plan developed at Pike and East Haverhill, that it was finally decided to continue the work this year and submit the matter to the voters at the next District Meeting. The discontinuance of these courses would make available at North Haverhill a room which could easily be restored to its original use as a school room and the pupils transported from Briar Hill and Center Haverhill, thus closing two schools at no extra cost for maintenance at North Haverhill. There are at present eight teachers in the lower end of the town doing the work that six should do in the elementary schools. The rearrangement here is not so obvious but no doubt something

satisfactory could be worked out. The taxpayers should bear in mind in the consideration of this question that we should strive for an arrangement of our schools that would produce the maximum State Aid and thus a corresponding decrease in the tax cost. The School Board hesitates to inaugurate such a program on its own responsibility. These suggestions are made for the consideration of the taxpayers with the belief that it is the only means of producing an immediate reduction in school taxes.

The usual statement of the financial condition of the District is presented and we also call the voters' attention to the budget for the fiscal year from July 1, 1930 to June 30, 1931. The retiring member of the Board is Dr. Fred C. Russell.

The School Board wishes to take this opportunity of paying its tribute to the memory of Mr. Page whose death has just brought to a close so long a period of public service. His influence on our schools has left a stamp which is bound to extend over many future years. His hopes and plans have partly been realized but never wholly, for the realization of one achievement to him meant only a step in a progression toward something better. His interest was a personal one, and his efforts always untiring. No one served with him without soon learning that his assistance was always available for the asking and usually given on account of his own forethought. He has been our counsellor when we needed advice, our source of knowledge when we needed information, our inspiration when things looked dark, and always our friend. Our choice of a successor to him will be guided by thoughts of who can best carry on his policies.

Respectfully submitted,
DANIEL CARR,
FRED C. RUSSELL,
WILLIAM H. SLIGHT,
School Board of Haverhill.

REPORT OF HEADMASTER

To the Superintendent of Schools:

I submit herewith my sixth annual report of Haverhill Academy and High School for the year ending January 31, 1930.

The total enrollment for the year is seventy-seven distributed among the four classes as follows: senior class, eighteen; junior class fourteen; sophomore class seventeen; freshmen class twenty-eight. The enrollment for last year was 83. There are eight tuition pupils at present.

Nineteen pupils graduated in June: Emily Applebee, Arden Atkins, Howard Dearborn, Cora Drew, Stanley Fadden, Paul Glidden, Emily Gregory, Letitia Hardy, Marguerite Hardy, Phillip Howard, William Keyes, Helen Kimball, Leslie Kimball, Irma Lavoie, Roberta Miller, Earnestine Steeves, Hollis Steeves, Leon Willoughby, Gertrude Wright.

First and second honors were won by Arden Atkins and Emily Gregory respectively, the latter winning "The Scholarship Loyalty and Achievement" medal also. Six of the nineteen twenty-nine graduates are attending post-secondary or special training schools.

That the scholastic standard of the school has steadily been raised and is now on a high level is evidenced by the fact that recent graduates who have entered post-secondary institutions creditably carry their courses. There are at present three attending the state university one of which is in the honor group of his class.

The "Place Geography" team competing in the state meet last spring won first place.

The usual athletic activities have been maintained. The girls' basket ball team of last season and the present has been one of the best in this section. Over forty percent of the school is represented on the two squads.

The band and glee club which were organized last year have continued their activities and increased their numbers. The band is now under the direction of Perley Klark who is also giving private lessons. An orchestra has also been organized.

A new extra-curricula activity has been instituted this year. This new activity, "Students' Night," will be an annual event on the school calendar. The first entertainment was held Dec. 20th in Alumni Hall. The program consisted of stunts, short plays, music by the band, glee club songs and readings. Fifty-seven members of the school took active part while all directly or indirectly contributed to its success.

The average daily attendance has shown a steady improvement over the record of the past two years.

There has been no change in the program of studies. The three-curricula program consisting of the Latin, English and Domestic Arts courses each have certain basic subjects in common yet each are sufficiently different as to allow of a choice. Parents are urged to acquaint themselves with the merits of each curriculum in order that they may advise the entering pupils in a wise choice. Information relative to the courses will be gladly furnished anyone interested.

Several complimentary notes have been received from the state department during the past year regarding the activities of the school.

The advantages to be obtained at the Academy compare favorably with any school of its size in the state and according to the report of the high school agent exceed many of the larger schools.

The results of recent standard intelligence and achievement tests which the pupils have been taking indicate that the average for the school equals and in many cases exceeds the standards attained over the country as a whole.

Respectfully submitted

F. H. JENKINS.

VITAL STATISTICS

To the Selectmen of Haverhill: In compliance with an act of the Legislature passed June session 1877 requiring "clerks of towns and cities to furnish a transcript of births, marriages, and deaths to the municipal officers for publication in the annual reports," I submit the following Vital Statistics.

I hereby certify that the following return is correct according to the best of my knowledge and belief.

L. M. KIMBALL, Town Clerk.
